Gwestydd 'Goliath' 2100/H1 (E)

- ~ Born: 1993
- ~ Color: White
- ~ Semen imported: 1997 by: Elite Genetics
- ~ Breeder: Gwyn Jarman 'Gwestydd'
- ~ Owner: Jeff & Christina Leake 'Morlea'
- ~ Goliath (a.k.a. 'Jamie') was selected as an Elite sire in 1995.
- ~ During a 1996 trip to the UK, Elite Genetics contacted Jeff Leake and arranged to have 'Jamie' collected for export.
- ~ Goliath was on display at the biannual event in Malvern, SHEEP '96' with much interest in him.
- ~ "Goliath' is one of the biggest Bluefaced Leicester rams with superb confirmation and he has a good blue skin all the way through. He was undoubtedly one of our best stock rams. Very good natured and had a lovely independent character." The Leake's were always pleased with his progeny.
- ~ The first USA F1 offspring were born in March 1999.
